Chris Villines was wanting to observe our group to get ideas for a group for the collectors.

Jim Arnold stated it would be a good idea on the counties where the offices were linked together with apprentice, that their groups could come together once a year for a meeting to discuss, how they could be helpful to each other.

The minutes were presented and Charlotte Davis made a motion to accept the minutes and was seconded by Brenda McAffry. Sylvia presented the Financial report and motion to accept was made by Jim Arnold and seconded by Judy Beth Hutcherson.

Randy Lamp gave a power point presentation on the update of the windows program. The project status for the First Beta test on the treasurers Apprentice is scheduled for First Quarter 2006 with full availability the fourth quarter of 2006. The discontinue of the old legacy program support will be the second quarter of 2007.

There was discussion about could the old system still be usable, while the new system is up and running and the answer was yes.

The counties that may be first tested for the Apprentice Payroll System are Grant, Carroll and Union.

The Project status for the First Beta test on the Payroll Apprentice is scheduled for the third quarter 2005 with full availability the first quarter of 2006. The discontinue of the old legacy program support will be the fourth quarter 2006.

Randy also told the group that once the program is in effect the dot-matrix will be out of date and everyone will be using Laser Printers. So there should be some thought given into budgeting for the Laser Printer. Apprentice also will have a payment plan for the printers if needed.

Some of the County Judges were meeting at the AAC that morning and invited us to share dinner with them. We all enjoyed the catered home cooking.

Tina Roscoe won the 10.00 door prize.

Sylvia Engles will bring the refreshments for the Sept. 23rd. meeting at 10:30 at the AAC Building.

Lis Rinchuso made a motion for the meeting to adjourn and Becky Gattas seconded.
